Vehicle Owner Authorisation Form

Version 0.2 | 12 October 2026 | Owner-approved draft

Professional review and launch requirements remain open. This document is not legally approved or effective for paid rentals. Real payments, refunds and payouts are unavailable.

Purpose and important limits

Use this form when a verified representative lists a vehicle belonging to someone else. It authorises the named person for the specified vehicle only; it does not transfer ownership, waive insurance conditions or authorise CarPont to provide insurance. Non-owner listings require manual review.

Witnessing, certification, affidavit or notarisation requirements must be confirmed for the actual Zimbabwean operating model before production use. This draft provides a witness section without claiming that witnessing alone satisfies law. If a formal affidavit is required, use the approved sworn format rather than presenting this form as one.

Submit securely through vehicle verification. Do not post the completed form publicly or send it to an unverified support contact.

A. Registered owner

Full legal name: _____

ID/passport reference (private evidence): _____

Residential/contact address: _____

Telephone/email: _____

Capacity if title is held jointly or through another person: _____

B. Authorised representative

Full legal name: _____

CarPont account reference: _____

ID/passport reference: _____

Contact telephone/email: _____

C. Vehicle

Registration number: _____

Make/model/year: _____

VIN/chassis number: _____

Vehicle Registration Certificate reference: _____

Relevant finance/lease/joint-owner permission: _____

D. Authority granted

I, the registered owner, authorise the above representative to submit this vehicle for CarPont verification, maintain an accurate listing and availability, and act as my disclosed representative for approved rental arrangements within Zimbabwe, within the scope selected below.

- [ ] Submit evidence and communicate with CarPont about verification.
- [ ] Maintain listing details, permitted pricing and availability.
- [ ] Accept eligible booking requests and coordinate rentals on my behalf.

- [ ] Conduct pickup and return, including authorised PIN confirmation.
- [ ] Submit factual incident/claim records and respond to booking disputes.
- [ ] Receive host rental proceeds through the separately approved payee arrangement.
- [ ] Hold and return a disclosed physical cash deposit on my behalf, if that service is approved.

Any excluded authority or financial limit: _____

Authorisation start date: _____

Expiry date or continuing until revoked: _____

E. Owner declarations

I confirm that the ownership evidence is accurate, I have authority to grant these permissions, and I will disclose restrictions from finance, joint ownership, insurance or other binding arrangements. I understand paid rental-use insurance and applicable operating permissions must be established before a real rental is accepted. A representative cannot use this form to bypass verification, cover limitations or statutory requirements.

I authorise CarPont to check relevant evidence and contact me to confirm this authority, in accordance with its Privacy Policy. I have received that notice. This is not consent to optional marketing.

Financial receipt authority does not establish a live payout service. Payee changes require separate secure review. Personal liability and the principal/representative contractual relationship remain subject to law and the approved agreement.

F. Revocation and existing bookings

Notify CarPont securely if authority ends, ownership changes or the vehicle becomes unsuitable. CarPont should restrict new bookings while checking the change. Revocation does not silently cancel existing contracts, erase claims or authorise unsafe abandonment; affected bookings require a recorded resolution.

G. Signatures

Owner signature: _____ Date/place: _____

Representative signature accepting scope: _____ Date/place: _____

Witness name, contact and capacity (if required): _____

Witness signature/date: _____

Certification/sworn declaration details (only if required): _____
